

Motorists  
in Gardens -

It is requested that the following number be quoted in the reply to this letter.

Num 663

Office of  
Inspector-General of Police,  
Singapore, 1st July, 1910.

Sir,

I have the honour to acknowledge receipt of your letter dated the 27th June 1910 complaining of motorists going through the Botanical Gardens at a great speed. In reply I beg to state that the present rules permit a speed for motor cars up to ten miles an hour which is fairly high for the Gardens as the roads there are far too narrow for them. I would suggest that the Committee should make a by-law prohibiting motor cars & cycles from entering the gardens.

I have the honour to be,

Sir,

Your obedient servant,

Inspector General of Police. S.S.

H. N. Ridley Esq,

Botanical Gardens.

Singapore.
